## Take Over Refinery and Equipment

Waitt Phillips and the Highway Oil & Refining Co. have purchased from the Wooster Oil company, tank cars, pipe lines and a refinery that was recently taken over by the Wooster people from the Oklahoma Producing & Refining Co. This will make a mighty strong combination, as Waitt Phillips is generally credited as being the largest individual oil producer in the midcontinent field and the Highway Oil & Refining Co. is made up of the best talent in the cash-and-carry circles and they are also equally well qualified to refine and market all the refined products. It will readily be seen that the Highway company will be well supplied with naphtha for blending purposes.
